Experience

January 2015 **Senior Web Developer, *West Virginia University - Health Sciences Center, Morgantown, West Virginia***
– *Present*

November 2011 **Interactive Developer, *PMI, Pittsburgh, Pennsylvania***
– *December 2014* As a member of the PMI Digital team, my primary focus is on front-end development, including prototyping, UI development, JavaScript development, custom WordPress theme development, and providing UX design feedback. I design, build and maintain internal websites and landing pages.

June 2008 **Independent Interactive Designer & Developer**
– *December 2014* I'm a passionate user interface designer, front-end developer, and WordPress developer. I build custom WordPress themes and rebuild existing sites on WordPress.

May 2011 **User Experience Designer, *Careerimp Inc., Pittsburgh, Pennsylvania***
– *November 2011* As the lead designer for the web app Résunate, my responsibilities included wireframe creation, user testing, and user interface design.

February 2011 **Multimedia Developer, *Fargo Design Co., Pittsburgh, Pennsylvania***
– *May 2011* My key responsibilities included existing site maintenance, front-end development, CMS implementation, and CMS template development. This involved breaking down web layouts in Photoshop and hand coding functional, standards based templates for WordPress and Joomla.

Skills

Strong understanding of usability, consistency, and communication of user interface design.

Fluent in hand-coded HTML5, CSS3, and jQuery to build standards based, cross-browser compatible web sites.

Experience developing on WordPress, Joomla, and Drupal.

Experience using custom media queries and front-end development frameworks including Bootstrap 3 and Foundation 5.

Fundamental knowledge of the implementation of PHP, JavaScript, SASS, and LESS.

Proficient in using Adobe Photoshop, Illustrator, Dreamweaver, After Effects, Premiere, Encore, and Fireworks.

Education

2006 **ITT Technical Institute, *Pittsburgh, Pennsylvania***
– *2008* Associate in Specialized Technology Degree, IT Multimedia

2008 **The Art Institute of Pittsburgh, *Pittsburgh, Pennsylvania***
– *2011* Web Design and Interactive Media
